INTERVIEW TOPICS

AUTHOR

From interviewing pageant contestants from the local stage all the way to the global competition. From fighting for human rights to educating our children of their universal rights.

PRODUCER

Turning a book into a documentary with all its hopes and struggles. To completing an educational documentary to help influencers and models find work within the film industry.

PUBLISHER

As a journalist chronicling and capturing pageantry moments at Platforms International. To writing, about my many passions at Raevue.com
